To Whom it May Concern,

Exceptional Service and Supply Lda. (ESS), has been working with Aker Solutions as a trusted supplier for several years.

I personally first came into contact with ESS, in my previous position at TechnipeFMC, which they were one of the top local operations partners.

Years ago when I joined Aker Solutions as Angolan Country Manager, I was pleased to see that ESS was already a supplier. To date they has provided us with a wide range of services including procurement, maintenance, machinery rental, and manpower. The ESS team have managed to continuously exceed my teams and my expectations.

Aker Solutions considers ESS one of its key and trusted suppliers/partners in the Angolan market, we appreciate the relationship, and look forward to continue to grow it. I give my full endorsement and highly recommend the ESS team.
